

## ***Members of the Respected Ajmera Family, Ladies & Gentlemen***

We are here to remember & pay our heartfelt tribute, on the demise of Shri Annu Bhai Ajmera, **The Stalwart** of our Industry.

20<sup>th</sup>. December, 2017 witnessed the end of an era, the crossing over of **The Legendary**, Sri Annu Bhai Ajmera to his heavenly abode.

The sea of humanity that assembled; to bid him adieu on his final journey, reaffirms his larger than life standing in the industry & society.

His departure is an irreparable loss to our industry & a personal loss to us **his disciples**, who have had the good fortune of learning the ropes of the industry from Annu Bhai!

He was the **Godfather** of FCBM & EICMA. The industry was growing, yet there was fragmentation amongst the stake holders. He united the industry at the regional level & went on to bring the different regions under one umbrella by founding EICMA & FCBM.

He was **THE Encyclopaedia** on Taxation! His authority on the subject was unparallel in the industry.

He was the founder member of the Indian Institute of Packaging, which is responsible for the growth of packaging in country.

Annu Bhai was a stickler for punctuality, meticulous & passionate about his work; he was a mentor & a source of inspiration to many in the corrugation fraternity all over India.

An Elite Gentleman, Socialite, who lived life King Size, on his own terms & above all a Great Human Being!

All members of EICMA managing committee join me in expressing our deep and heartfelt condolences to the aggrieved family and join them in their prayers.

***Please accept our sincere & heartfelt condolences.***

**Annu Bhai !**

**Death may have taken**

**You from us**

**But our life's hero**

**You will forever be ....**

**Rest in peace Annu Bhai, you will be in our hearts, mind & deeds, today, tomorrow, always ...**
